### General data

|                     |                  |
|---------------------|------------------|
| Location            | Netherlands      |
| region              | Gelderland       |
| Year of manufacture | 2003             |
| Warranty            | Without warranty |

### Technical parameters

|                                              |             |
|----------------------------------------------|-------------|
| Length of the working table                  | 250 mm      |
| Width of the working table                   | 250 mm      |
| Maximum table load (evenly distributed)      | 25 kg       |
| Number of CNC controlled axes                | 5 pcs       |
| Maximum rotary speed of the vertical spindle | 40000 1/min |
| Travel length X-axis (mechanical feed)       | 400 mm      |
| Travel length Y-axis (mechanical feed)       | 240 mm      |
| Travel length Z-axis (mechanical feed)       | 350 mm      |
